Arrival and Departures to Santorini, Greece!

You are responsible for your travel arrangements to Santorini. Ales in Custom Travel is happy to assist you with flights! You can ring him at 866-866-5566. Santorini is a small island and it is quite easy to get around as everyone speaks English. Please stay with your luggage at all times! Consider changing money at the Athens airport if you have time between flights. If not, you can do so on the island. Do not change money in the USA as you will not get as good of a rate.

Money

It is a good idea to have money changed in the airport. In general you will need about \$40.00 per day for lunch and dinner (if you like a glass of wine add in a bit more). Jewelry and art is *incredible* on the island so be prepared for the desire to purchase lovely things – but remember you are paying a ~40% premium unless the item is on sale due to the strength of the Euro. *Be sure to write down the numbers of your credit cards, and the phone numbers of how to contact the companies from Greece if you need to. Keep them separate from the actual cards.* In case you want to do a special trip on the side consider you might need an extra \$30 for the day (to visit Akrotiri or Thirassia for example)

We eat breakfast together in the morning at the hotel – but please note that at lunchtime we may go out, same with dinner (although you can cook and eat in your room as you will have a kitchen). If you need to eat or snack often, make sure you have power bars, nuts, trail mix or whatever you need to take care of your body! Please note the food is *very good* on the island. Most restaurants in town take credit cards but some only accept cash – so be prepared. Also note that purchasing water everyday is a necessity as their water may not work with your system.

Ground Transportation

Taxis are very abundant on the island plus they have a *great* public transportation system that is fun and easy. In case you want to go someplace special, Linda is happy to drive you if she is available to do so and not with the group.

Daily Itinerary

The actual schedule of spiritual teachings and what we will be doing day to day is not published so we can be in the moment. Every day will be a magical experience for all of us, teachers included! Keep your heart and mind open to the experience life brings us. Depending on the group energy, the program may shift in any direction. Please put your "voice of knowledge" and "need to know" at rest. As a basic guideline we will meet in the morning after breakfast and have "class" and then in the afternoon we will be free to have fun exploring the island.

Be assured that we have a wonderful journey planned for you. We look forward to a most exciting adventure together!

With all our love.....
